Dear Prospective Member,

Thank you for your interest in our growing Car Club.

To join as a Single or Joint Member, you must own a 2-door American Muscle Car, manufactured between the years 1955 and 1974, and fall into the category of Hardtop Coupe, Sports Coupe, Fastback or Convertible.

Not included are vehicles of commercial body styles or derivatives, and vehicles and/or body styles not marketed as performance cars or performance options. The vehicle may be on road standard or undergoing restoration.

To join as an Associate Member, car ownership is not required, but strongly encouraged. It is hoped that Associate Members will gain valuable knowledge from current Full Members, and eventually be in a position to purchase an American Muscle Car and become Full Members.

The annual membership fee (March - until A.G.M. held in following March) is \$50 for Single Membership \$60 for Joint Membership, and \$40 for Associate Membership. Renewal after first year is \$40 Single, \$50 Joint, and \$30 Associate. Please note that Associate Membership is limited to a two-year period. If renewal is not received by the A.G.M. you will lose the benefit of past years accumulated.

Membership entitles you to regular newsletters, which include such things as past and upcoming events, for sale and wanted sections, car tech sheets, club logo printed items for sale and general information. We also look forward to receiving articles from members, which may be of interest to others. Forward all items to "60's AMCC, P.O. Box 1105, Bundoora Vic 3083"

As a club we hold a variety of events (suggestions always welcome)

- Social days or evenings
- Car shows and displays
