WHAT'S NEW?

The Members meeting held at the Boardroom in the Manhattan Hotel on the 28th January was well attended considering the time of the year.

Rhyse reminded the members to check with Vic Roads direct and make sure the department that handles the club permit system within vic roads is notified when you pay the annual fee to them. AOMC had a member who had paid his annual fee to vic roads and was pulled over by the Police who informed him that there was no record with vic roads that the fee had been paid.. He ended up in court which cost him fees and time etc. So make sure that the correct department is notified to avoid any confusions.

Another reminder to all Club Members, the contacts for getting your permits signed are in the newsletter along with the Website.

The Noojee Run attracted over 40 participants and was considered highly successful. We intend going back in June/July this year, more details later.

Recommendations for future runs are welcome as the club aims to host monthly or bi monthly events.

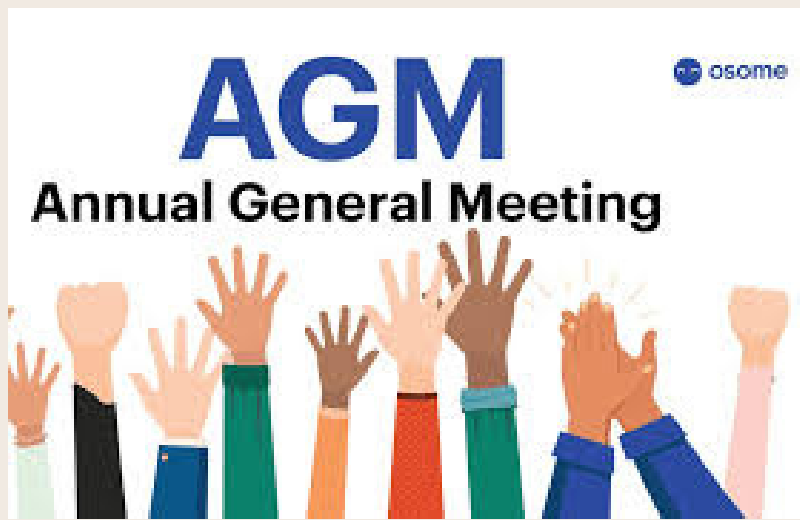

Due to scheduling conflicts, MCOM will not be a club event this year. Glenn Burggraaf and others suggested hosting an independent event or extending an invitation to the Sydney Club.

Discussions took place, and the Committee is looking at creating a run in May, possibly back to Wangaratta, more details later. We welcome run suggestions from our members.

The Committee is committed to growing this Car Club and encouraging new and present members to participate in the structure of the Club.

We would love the members feedback regarding how the envisage the Club going forward. This includes ideas for events, activities, or initiatives that would enhance the club experience and foster a sense of community among members.

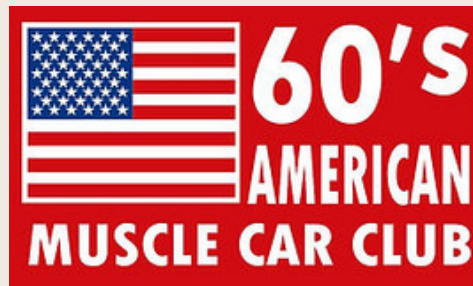

Whether it's organising weekend drives, hosting workshops on car maintenance or planning social gatherings, every suggestion is valuable and will help shape the future of the club.

Thank you in advance for your suggestions
